SP Universal Remotes

- All kitchens, TV lounges and the Game Room have received shiny new universal remotes.
- The batteries are secured with tamper-resistant screws and the remotes are locked down with security cables.
- The connection topology has been standardized and simplified.
- The following slides will subconsciously implant the pertinent operating procedures into your memory.

BEFORE: Maximum Entropy Topology

NOW: TV-Centered Topology

Shiny Universal Remotes

- Press “Watch TV” to use the basic setup: turns on both TV and receiver.
- To control a specific device, press the corresponding white button followed by the button(s) you want to use.
- Use “TV Input” to change input sources.
- Built-in TV speaker volume controlled in “TV” mode, surround sound volume controlled in “Cable/Sat” mode.
- If something isn’t working, contact sp-av-chair@mit.edu
